Refore & after school intervention for additional 1-1 support throughout your studies

This represents the areas of your course that will enable you to 'Get Ahead' by working with our partners.

Employer Engagement

Summer **Term**

AQA GCSE Component 2 Exam

Summer: Enrolment on to BTEC Engineering or apprenticeship.

AQA GCSE Component 2 Exam

Spring **Term**

> AQA GCSE Component

Compnent 2 - Exam

The project forms 40% of the students GCSE. The students receive an assignment brief and like component 1 work through an iterative design process to complete a final design and make product in the material and technique of their choosing. Students are given a preparatory period to complete research and ideas followed by 10 hours of supervised time to complete the final outcome.

THEME Fine Art

Autumn Term

Through Year 10 Students will spend one period a week building up their skills and techniques knowledge in a variety of areas to apply to their project work.

Compnent 1

This project forms 60% of the students actual GCSE. Students will be given a design brief with the focus on a theme given by the exam board. Students will create a Photography final piece that focuses on a variety of camera and editing skills that they have developed through the Autumn term.

Skills and Techniques

Along side component 1 students will continue to be taught camera skills and editing techniques that compliment and enhance their work. These will develop on the work done in the Autumn term

Skills and Techniques

AQA GCSE Component

Spring Term

AFL - Natural Form

Looking at the theme of natural form students will learn about the fundamental concepts of 'What is photography?', how to use a camera, how to edit images, composition, light, rule of thirds, depth of field, view points, as well as many other skills and techniques.

This project will build vital skills and knowledge ready for component 1 in the Spring Term.

Your two-year journey starts here...

You will enrol onto the course in Year 10 and complete your GCSE course in Year11.
